BLAINE, Minn. – (July 29, 2019) – The 23rd annual Blaine Safety Camp will take place on July 30 and 31 at SBM Fire Station 3 in Blaine. The Blaine Police Department, Blaine parks and recreation department, and the Spring Lake Park-Blaine-Mounds View Fire Department are sponsoring this exciting program for kids to have fun while learning about safety. Unintentional injury is the leading cause of death and disabling injury for children under the age of 15. The main goal of Safety Camp is to help reduce the number of accidents and injuries among young children. Safety Camp will provide children with the skills necessary to cope with emergency situations.

Topics covered at safety camp include: animal safety, bullying prevention, drug prevention, electrical safety, fire safety, injury prevention, internet safety, life safety decision making, personal safety, and water safety.

More than 160 fourth grade students attend Blaine Safety Camp each year. The program is very popular in the community selling out each year.

Media are invited to attend Blaine Safety Camp, please use the contact information above to schedule a time be on site.
